

GET ON THE BALL, GUYS!

Football leagues are part of the YMCA's activities during the fall, with competition at many of the local schools and playgrounds. Older boys and adults referee for the smaller fry, with coaches coming from the same source.

WHO'LL BE FIRST?

Track meets are a major activity among Gra-Y boys in the Torrance YMCA. On Saturdays, the youngsters from various clubs compete with each other. Track events of various kinds are carried on, with coaching and refereeing from Hi-Y boys and adults.

Varied Athletic Program Offered

A widely varied athletic program sponsored by the Torrance Family YMCA provides healthful fun and activities for thousands of Torrance area youngsters each week.

The athletic and competitive games take place in school gymnasiums, on school track and football fields, and on city parks.

Included in the program are track meets, swim contests, pinebox derby races, and kite days.

Organized leagues give the

area youngsters a supervised program in flag football,

basketball, soccer, and softball.
